My dear Edwards

Military contribution for the maintenance of Military Roads in the Civil & Military Station, Bangalore - Your letter No.9835/ 275-1932, dated the 12th October 1933.

This matter was considered by the Standing Committee of the Municipal Commission at a meeting held on the 20th instant. The general opinion was that the question might well be dropped in view of the impending retrocession of the Civil and Military Station to the Mysore Darbar. I should be obliged if you would kindly let me know whether the matter might be dropped or whether the Commission should proceed with the consideration of the suggestion made in your letter under reference.

Yours sincerely,

To,

Major C.G.N. Edwards, I.A.,
Secretary to the Hon'ble the
Resident in Mysore,

Military contribution for the maintenance of military roads in the Civil and Military Station of Bangalore.

SIR,

S.N.12 & 2

I am directed to refer to the correspondence ending with endorsement from this Residency No.9836/275-1932, dated the 12th October 1933, and to say that the Standing Committee of the Municipal Commission have suggested that the question of re-classification of these roads should be held in abeyance pending a decision on the question of retrocession of jurisdication over a part of the Civil and Military Station to the Government of His Highness the Maharaja of Mysore. In many ways it would seem desirable to take this course, if the military authorities see no strong objection; and I am to request that this Residency may be informed whether the District Commander would be prepared to accept the suggestion.

I have the honour to be,
Sir,
Your most obedient servant,

o/c. 9/9.
